ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT)
(SCOTLAND) REGULATIONS 2017

Notice is hereby given that Voltalia UK Ltd company registration number 07489990, with its Registered Office at The Wheelhouse, Bond's Mill Estate, Stonehouse, Gloucestershire, England, GL10 3RF, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm and battery energy storage system known as Cruach Clenamacrie, near Oban, Argyll and Bute (Central Grid Reference E194142 N729887). The installed capacity of the proposed generating station would be over 50MW comprising up to six turbines with a maximum ground to blade tip height of 200 metres and has been subject to Environmental Impact Assessment (EIA). An EIA Report has been produced to accompany the application for consent.

Voltalia UK Ltd has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

Voltalia UK Ltd have now submitted Further Environmental Information (FEI) to the Scottish Ministers which includes revisions to the internal access track layout, information in response to the Scottish Environment Protection Agency consultation, an update to the cumulative Noise, Heritage and Landscape and Visual assessments and further clarifications relating to the Proposed Development.

A copy of this FEI alongside all the application and EIA documents is available for public inspection, free of charge on the application website <https://cruach-clenamacrie.co.uk> or on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference ECU00004841.

The FEI is also available for public inspection in person, free of charge at:

Any representations to the application may be submitted to Scottish Ministers; by email to representations@gov.scot; or by post to Scottish Government Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received no later than 13th October 2025, although Scottish Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations on such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a public inquiry to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal with or without conditions attached; or
- Reject the proposal.
